## WELCOME TO GUINNESS KINSALE FRINGE JAZZ FESTIVAL

As the days are getting colder and the evenings shorter you have turned to the pubs of Kinsale to warm your heart and brighten your mood with the best free Jazz that money can buy and I think you will agree that our line-up once again will not disappoint. As you can see from the brochure we have some new names and faces appearing at this year's festival as well as some well established acts returning for what promises to be another roaring, swinging Guinness Kinsale Fringe Jazz Festival.

This Weekend would not be possible without our main sponsor, so on behalf of the town and Vintners of Kinsale I would like to thank everyone at Guinness for affording us the opportunity to bring you a wonderful weekend of revelry. I encourage you now to take a stroll around and sample all the charm that Kinsale's pubs have to offer and of course if you are raising a pint this weekend raise a pint of Guinness and leave your car keys behind.

Michael T Frawley  
Mayor Kinsale Town Council  
Chairman Kinsale Vintners

He was instrumental with some Kinsale Vintners in setting up and maintaining the Kinsale Fringe Jazz Festival which runs concurrently with the Guinness Cork Jazz Festival.
